

Dear Sirs,

Many thanks for taking the time to read a little about Broadstone Group, we are very proud of our company and should you work with us we are sure you will be happy to be associated.

Broadstone Group are members of and support most trade associations and work with all insurance backed guarantors.

We have an excellent track record in retaining client relationships, please browse our project profiles and feel free to contact any of our references.

Our experience is extensive, ranging from family homes, refurbishment & restorations projects, commercial and office units, leisure facilities, affordable housing, industrial units, care homes, doctors & dentists surgeries, disabled adaptations and purpose built homes for the disabled to name a few.

We have recently been awarded a contract to build a 50,000 sq ft Waste Transfer Station with 10,800 sq ft of offices on Geldard Road, Leeds, this project is currently under construction.

We are proud that our business has retained its financial stability through economic turbulence; an achievement we credit to our highly motivated management team, competitive pricing, and committed focus on our clients' requirements. We always put our customers first, and this is the basis of our success.

Our website at www.broadstonegroup.uk.com provides more information about our services and the type of work we regularly undertake. But to get a real flavour of the company, the type of people we are, and how we can work together, it's best to meet us face to face. We believe by meeting us, you will be left assured that we are a highly competent organisation with the skills, experience and commitment to successfully deliver your project just how you want it.

Yours sincerely

G. Smith
